**THE FAIRST RUN YET.**—Our attentive friend Kent, of the Western Union Telegraph put us in possession of the following:

The Robt. E. Lee started yesterday morning from New Orleans to take back those horns, which, according to Tom Leathers, "the Indian had brought out of the woods, and which had got home at last," etc. At a late hour last night we heard "the Lee passed Baton Rouge 5 minutes, 50 seconds ahead." Our fears were entertained that the fog would cause a second failure. This morning, however, the lightning flashed northward the following welcome intelligence: "The Lee has beaten the Natchez 14 minutes, 42 seconds to Natchez."

"Hooyah!" The horns have got home to stay!

**THE CENTRAL MEAT MARKET.**—Messrs. Fred Kohler & Co., of the Central Meat Market, desire it understood that they keep all kinds of meats, beef, pork, mutton, lamb and veal; that they buy and slaughter the best and fattest animals brought to this market; dress and serve out the meats in a neat and cleanly manner, and deal with everybody fairly and squarely.

Market baskets of customers delivered free of charge to any part of the city.

Fresh sausage on sale every morning. Buy your meats, then, at the Centre Meat Market, near the corner of Tenth street, on Washington avenue.

This work of reconstructing the Cairo city wharfboat of which that excellent young business man, Marion Wright, agent and manager, is about completed and it is now one of the most complete and spacious boats of that kind on the Western rivers. The second story is devoted to the reception, storage and forwarding of furniture and other light freight, and the lower story has been widened and wider guards added, which largely increase its capacity for storage of all descriptions of merchandise. Mr. Wright is assisted in the office by Mr. John Gwinnett, and on the lower deck by Mr. James Hughes, both gentlemen of first class ability in their respective roles.

During the progress of the performance a section of the seats, occupied by about six hundred persons, half of whom were youngsters, gave way and came down with a crash, but as they were only elevated about two feet, nobody was hurt.

If people will go to circuses, Charley Noyes is the man they should patronize, for the reason first, that he has the best show travelling, and secondly, because he is a clever, courteous gentleman.

On his previous visits to Cairo he spent more money than he took in. He was fully reimbursed last night, however, and paid a surplus of \$500 or \$600.

D. LAMBERT, Ohio Levee, between Eighth and Tenth streets, has enlarged and improved his shaving and hair-cutting saloon, and he is prepared to serve customers in first class style.

Clean towels, sharp razors and courteous attention are among the attractions of the establishment.

### DONAHUE AGAIN.

**He Confesses that His Counter Affidavit was made under Duress and is False.**

Our readers are already advised of the fact that on the 20th day of the present month, Mathew Donahue made affidavit that, in the month of January, 1865, D. W. Munn placed him in the gunboat service at Cairo, promising to pay him a bounty of \$300; that D. W. Munn paid only \$100 of the sum, and to this day had not paid the balance. They are also advised that Donahue instituted suit against Munn for the amount, and that, unless the case is dismissed, the trial will come during the next term of the Pulaski Circuit Court.

On the 22d day of the present month acting under duress, Mr. Donahue made a counter affidavit, stating that D. W. Munn owed him nothing, that he had no knowledge of any suit entered by him in the Pulaski Circuit Court against Munn, and that on the 20th instant, when it was said that the suit was instituted and the affidavit filed, the proof of the excellence of their meats may be found in trying them, and they invite for you to make the trial.

See their card.

JAMES M. BARROW, M. D., Physician and Surgeon, formerly of the Indiana State Hospital is now in the city and will remain here until the 16th of November.

He will demonstrate to you the morbid conditions of the brain, and will tell you what produced it. The Doctor will also diagnose and treat your disease with entire success whether it be constitutional or local. Strict attention will be given to all forms of chronic diseases.

He will relieve you of all private diseases primary or secondary without the use of mercury, and a sure cure warranted. Office at Commercial Hotel, Room No. 4 tf.

THE PEOPLES MEAT MARKET.—CAYLER & CO., PROPRIETORS.—The meat market just opened by Cayler and Co. at the corner of Washington Avenue and Tenth street, is just exactly such a meat market as those who know Cayler would expect him to establish when he speaks himself. Everything is new, freshly painted, and wears an air of cleanliness that no one will fail to notice.

Cayler & Co. are among the oldest and most experienced butchers of the country and have learned that it pays best to keep first class meats, and command a first class custom. If citizens would, therefore, see splendid fresh meats, pork, beef, mutton, veal, lamb or sausages—they can always find them in any quantity desired at the People's meat market. Just try it.

A BRILLIANT DISCOVERY.—Every man and woman in the land whose looks have been touched with silver by time, or prematurely whitened, has reason to rejoice that Phalon's Vitalia, or Salvation for the hair, is numbered among the wonder-working products of this age of discovery. It is clear and free from sediment, while the shades of color it imparts are more natural than those produced by any other agent.

ED. BULLETIN.—Then your first affidavit was true, and you were sober when you made it?

ED. BULLETIN.—And Dan Munn does owe you the \$200, you claim?

Donahue says—Yes he does. He never paid me but \$100 and promised me \$300.

Thinking we would have an opportunity to induce Donahue to make the statement in presence of witnesses, we did not question him further. Arriving at a saloon where a number of persons had assembled, we conceived that our opportunity was at hand, but it wasn't. Mr. Sivers was a member of the crowd, and immediately took Donahue in charge, shortly afterwards left the crowd, and we saw them no more.

That the "counter affidavit" was obtained by improper means, we have in Donahue's own words, in his conduct, and in the conduct of his employer and other Radicals who seek the election of Mr. Munn, evidence that is simply incontrovertible; and the public, in view of all the facts, cannot avoid accepting it as such.

DEMOCRATS OF SOUTH CAIRO PRECINCT.—There will be a meeting of the Democrats of South Cairo precinct in the engine house on Second street, on Monday evening, the 1st of November, for the purpose of organizing a precinct club. A number of Democratic speakers will be present and make short addresses.

ED. BULLETIN.—Choice Family Flour in 1/2 bushel bags, sacks, &c., for sale at the Egyptian Mills.

ED. BULLETIN.—D. LAMBERT, Ohio Levee, between Eighth and Tenth streets, has enlarged and improved his shaving and hair-cutting saloon, and he is prepared to serve customers in first class style.
